FACIALS & SKINCARE

We customize each facial adding the right products that best compliment your skin type. We use Sorella Apothecary, Skin Scripts, and Eminence.

Signature Facial \$60 (30-min) / \$85 (50-min)
Our signature deep pore cleansing facial is personalized to every client catering to your skincare needs. Every facial includes a double cleanse, steam, exfoliation treatment, extractions, masque, shoulder massage, hydrating treatment, and scalp massage.

Teen Facial (Ages 16 and under) \$40

Back Facial \$85
Clear up back acne with our back facial. We do everything we would do for our Signature Facial, on the back.

Microdermabrasion Facial Treatment \$125
Our signature facial with a Microdermabrasion Treatment. This facial is a non-chemical, non-invasive procedure that uses microcrystals to remove the outermost layer of dry, dead skin cells and reveal younger, healthier-looking skin.

PCA Chemical Peel Treatments \$85 / Series of 3: \$180
Chemical peels are an important part of skin health. As an effective treatment option for most skin types and concerns, they improve tone, texture, fine lines and wrinkles, breakouts and dark spots. The post-peel reality is a glowing, healthy complexion.

Vajacial \$75
For women only when ingrown hairs and your skin become problematic above your vagina

HYDRODERMABRASION FACIAL \$175
This medical grade device will vacuum out pores while simultaneously cleansing, exfoliating, and infusing the skin with intensive serums which moisturize, brighten, plump, and protect the skin resulting in ultimate skin hydration and radiance, to improved firmness and texture, and reductions in oil and pore size.

MICROCHANNELING \$400
Procell Therapies provides medical grade collagen induction, a cutting-edge biotechnology to induce a breathtaking transformation to the appearance of the skin that lasts a lifetime. Microchanneling (An evolved form of Microneedling) preserves the integrity of skin while yielding the same regenerative results.

- Diminish fine lines and wrinkles
- Remove acne scars
- Remove traumatic and surgical scars
- Correct uneven texture and color tone
- Minimize stretch marks
- Firm and tighten loose skin
- Get rid of hair loss
