SCAR REVISION

This treatment will improve the texture and smooth out the look of your scars.

CAMOUFLAGING

A unique tattoo procedure that helps you significantly reduce the visibility of your SCARS, stretch marks, or self-harm marks

SCALP MICROPIGMENTATION

A cosmetic scalp tattoo treatment for thinning hair or hair loss, that gives the illusion of thicker hair.

Consultation Required

FACIALS & SKINCARE

We customize each facial adding the right products that best compliment your skin type. We use Skin Scripts, Eminence, and Sorella..

Signature Deep Pore Cleansing Facial \$95 (50-min)
Anti-Aging Hydration Facial
Acne Healing Facial

Our facials are personalized to every client catering to your skincare needs. Every facial includes a double cleanse, steam, exfoliation treatment, extractions, masque, shoulder massage, hydrating treatment, and scalp massage.

Teen Facial (Ages 10 - 16) \$50
Deep pore cleanse including extractions, mask, moisturizer, 25 min

Tots Facial (Ages 9 and under) \$30
Gentle cleanse, gentle exfoliation, mask, moisturizer, and memory pic, 15 min

Back Facial \$85
Clear up back acne with our back facial. We do everything we would do for our Signature Facial, on the back.

Microdermabrasion Facial Treatment \$125
Our signature facial with a Microdermabrasion Treatment. This facial is a non-chemical, non-invasive procedure that uses microcrystals to remove the outermost layer of dry, dead skin cells and reveal younger, healthier-looking skin.

Dermaplaning Facial \$120
A skin resurfacing procedure to treat acne scars, unwanted hair and other cosmetic concerns. It helps the skin look smoother.

Vajacial \$85
For women only when ingrown hairs and your skin become problematic above your vaginal area

NANOCHANNELING \$225+
Procell Therapies provides medical grade collagen induction, a cutting-edge biotechnology to induce a breathtaking transformation to the appearance of the skin that lasts a lifetime. Nanochanneling preserves the integrity of skin while yielding the same regenerative results.

- Diminish fine lines and wrinkles
- Remove acne scars
- Remove traumatic and surgical scars
- Correct uneven texture and color tone
- Minimize stretch marks
- Firm and tighten loose skin
- Improves the look of hair loss
